Fees and Payments 2027

Krishnankovil campus

Campus academic and hostel tariff: 2026-27. Doctoral semester table: 2024-25. CDOE online table: session not printed.

Application and first academic year

Resident-Indian campus application costs ₹600. It is separate from tuition. The current common table states annual academic prices; the admission offer specifies payment dates and instalments. An annual total is not presented as a common seat-booking deposit.

Course	Annual tuition	Annual misc.	Year 1 academics	Year 1 + application
B.Tech Computer Science and Engineering	₹1,95,000	₹12,000	₹2,07,000	₹2,07,600

B.Sc (Hons.) Agriculture	₹1,20,000	₹12,000	₹1,32,000	₹1,32,600

What each amount includes

Academic amounts: tuition and the listed annual miscellaneous payment. The library/soft-skills charge is already included.

Accommodation: selected occupancy and room type. A separately quoted meal amount is added only when payable.

Full-course totals: fixed source-year rates over the listed duration, not a released 2027-28 tariff.

CSE, MBA and BCA year-wise fees

Regular B.Tech CSE

Annual CSE tuition is **₹1,95,000**; miscellaneous payments are **₹12,000**. The five-bed non-AC room is ₹80,000 a year; the four-bed AC room with attached bathroom is ₹1,40,000. These room columns exclude separately charged meals and application.

Named payments outside a basic tuition figure

Campus miscellaneous payments recur each year: ₹12,000 for the listed engineering/professional programmes and ₹5,000 for the listed arts/science programmes. Hotel Management has a ₹10,000 first-year uniform kit. These are already added to the matching course total.

The hostel table does not separately itemise mess or security. It does not establish that meals are included. The NRI/foreign campus tariff is a separate USD schedule, with US\$50 application; it is not converted into a resident-Indian price here.

Scholarships and different schedules

Explicitly dated 2026-27 JEE Main table

Rank	CSE / AI & DS	IT / ECE	Other B.Tech
1-25,000	100%	100%	100%
25,001-50,000	70%	100%	100%
50,001-1,00,000	60%	70%	75%
1,00,001-2,00,000	40%	40%	50%

The same admission page contains other CSE rank/percentile tables with different bands. They are not merged with this explicitly dated table. A scholarship is approved at admission and covers tuition under its letter. Annual miscellaneous, application, hostel and food remain separate.

Approved-award calculation

20% of regular CSE annual tuition (₹1,95,000) is ₹39,000. After an approved award, tuition is ₹1,56,000; add ₹12,000 miscellaneous to obtain ₹1,68,000 annual academics. Apply the award only to its covered period.

Allied Health: lower fourth-year price

Year	Tuition	Miscellaneous	Academics
1	₹90,000	₹12,000	₹1,02,000
2	₹90,000	₹12,000	₹1,02,000
3	₹90,000	₹12,000	₹1,02,000
4	₹30,000	₹12,000	₹42,000
Full course	₹3,00,000	₹48,000	₹3,48,000

BPT has four academic years plus six months of internship. The internship payment is not itemised, so no complete 4.5-year bill is invented. Doctoral tuition is ₹35,000 per semester in the 2024-25 table; registration length determines the complete research bill.

Online degree fees

CDOE online degrees do not require a hostel. The current Indian/NRI table has a ₹600 application, a one-time admission charge and yearly tuition. Examination, certificate and alumni payments are named separately but not fully priced in the public table.

Online degree	Years	Annual tuition	Admission once	Tuition + admission
B.Com	3	₹35,200	₹5,000	₹1,10,600
BBA	3	₹32,000	₹5,000	₹1,01,000

Online intake and session

The CDOE notice gives October 10, 2026 as the completed deadline for its July 2026 intake. This was not a campus B.Tech deadline. No 2027 intake deadline or undated online fee is relabelled as a released 2027 tariff.

Full catalogue on the next pages

The catalogue preserves the 117 compiled programme and specialisation entries. A priced full-course academic figure includes the named annual and one-time components. Where a duration or individual fee is not itemised, the available first-year amount or unpriced scope is kept visible. These entries are not an advertised count of 117 distinct degree families.

This guide targets 2027 admissions while retaining each source year. The 2026-27 common tariff takes priority over older section-specific course tables. No new academic increase, refund entitlement, mess inclusion or statutory eligibility is assumed.
