Fees and Hostel Payments

For 2027 applicants | Academic fee years remain course-specific.
Named hostel tariffs: 2026-27 official manual.

The guide separates tuition, application, academic caution, named room charges and hostel security. Later-year tuition and accommodation are budgets at current rates, rather than confirmed future-year tariffs.

Main degree tuition and academic caution

Degree	Years	Annual tuition	Tuition + caution
B.Tech CSE	4	₹4,30,000	₹17,45,000
MBA Dual Specialisation	2	₹7,10,000	₹14,45,000
BBA (Hons.)	4	₹3,50,000	₹14,25,000
BCA (Hons.)	4	₹2,10,000	₹8,65,000
B.Pharm	4	₹2,35,000	₹9,65,000
B.Des Product Design	4	₹4,45,000	₹18,05,000

At application and admission

The published Indian-student application procedure lists **₹2,000**. The provisional university offer gives the first tuition instalment and payment deadline. CSE has a separate **₹25,000 refundable academic caution**, included once in the first-year cash budget. The annual tuition figure is not presented as one common admission-day instalment.

The B.Tech deadline is **15 April 2027**. The main MBA deadline is **14 December 2026**; Construction Management has a separate 7 January 2027 entry. The standard application amount is not assigned to the unpriced Ph.D. or specialist executive portal without its own instructions.

CSE First Year and Later Years

4	₹4,30,000	₹0	₹2,20,000	₹0	₹6,50,000

Complete CSE budget at current rates

Payment scope	Amount
Four tuition years	₹17,20,000
Tuition + academic caution	₹17,45,000
Four Abhivritti sessions + hostel security	₹9,05,000
Academics + hostel together	₹26,50,000
With ₹2,000 application payment	₹26,52,000

The course page is for 2027; the hostel manual is for 2026-27. The manual does not announce a new 2027-28 housing tariff. Both deposits are paid once. Later-year budgets use the current stated rates.

Room booking and instalments

Abhivritti Non-AC Triple payment	Amount
Booking credit, already inside the room fee	₹10,000
First accommodation column in the manual	₹1,05,000
Housing security with first instalment	₹25,000
First payment stage together, including booking	₹1,40,000
Second accommodation column	₹1,05,000
First-session room + security together	₹2,45,000

Booking + the two accommodation columns equals ₹2.20 lakh. Security then makes ₹2.45 lakh. Adding booking again to the annual room price would count it twice.

Hostel Rooms and Fees

The official housing manual lists **45 occupancy choices across 14 hostels**. Prices below are the 2026-27 session tariff. Security is ₹25,000 once. Breakfast and dinner are daily; lunch is listed on weekends and public holidays. Weekday lunch is a separate personal food budget.

Housing dates and other charges

The manual states accommodation validity to **15 June 2027** and a second-instalment deadline before 15 December for that housing schedule. It names late-payment penalties under its policy. The hostel FAQ refers to a ₹300 monthly electricity amount and bills excess use separately. Neither unknown excess electricity nor a penalty is added to every normal student budget.

Use the manual for occupancy codes and allocation. Some hostels are off campus; published journeys range from five to 25 minutes. Contact hostel.admin@mitwpu.edu.in for a new session quote and availability.

Scholarships and Fee Exceptions

CSE tuition award bands, AY 2027-28

Tuition tier	JEE Main percentile	MHT-CET percentile
100%	97 and above	98 and above
50%	96 and above	97 and above
25%	95 and above	96 and above

Awards depend on availability and the approved offer. The published continuation requirements are **8 CGPA, 80% attendance, no live backlog, no semester break and no disciplinary action**. Caution, accommodation and non-covered payments are not automatically waived by the tuition award.

After-Class-10 engineering: three diploma years first

The six-year diploma-to-degree routes do not have a six-year fee at the diploma rate. CSE's first three diploma years have ₹2.25 lakh annual tuition and ₹25,000 academic caution, making **₹7 lakh for that priced stage**. The following three B.Tech years use the regular degree tariff for the academic year in which that stage begins.

AI for Leadership: monthly fee

The executive certificate is two months, with live online sessions and a campus capstone presentation. At **₹20,000 per month**, its Indian-student course price is ₹40,000. The separate employee/academician amount is not assigned to other applicants. It is not multiplied by an academic year or given an annual hostel charge.
